

1 ABSTRACT OF THE DISCLOSURE

2 A storage unit for women primarily, for disposition on the leg, thigh or arm for the  
3 storage of small articles such as lipstick, credit card, drivers' license, key, etc., formed of a leg,  
4 thigh or arm encircling member connected to an elastic film, upon which film is mounted at  
5 least one and up to about four pockets, each of which pockets includes its own respective front  
6 flap having a closure thereon for removable engagement with a closure on the pocket's storage  
7 section. Two versions of the limb encircling member are set forth. The encircling member may  
8 be disposed interiorly or exteriorly to the pocket(s).
